

DESIGNED FOR EXCEPTIONAL PERFORMANCE

Our range of din rail products and distribution boards reflect the meticulous details designed to deliver a range of secure options, catering to residential, commercial and industrial sectors.

ENSURING UNPARALLELED QUALITY,
SAFETY AND SERVICE ALWAYS

NOVA

Nova Miniature Circuit Breakers and Isolators are a comprehensive range that has been engineered to deliver optimum security to the electrical appliances of your spaces.

NOVA X

Powered by innovative technology, Nova X range is cautiously designed to offer optimal protection and secure the various premises from electrical fire caused due to short circuits.

NOVA

MCB

With tough fire resistance body and a trip-free mechanism, the NOVA MCB series ensures low power loss & low-temperature rise assuring optimal protection.

ENGINEERED FOR SAFETY & RELIABILITY

Engineered to set new benchmarks in operational safety and performance, the range embodies our commitment to high-quality standards.

Tailored to meet diverse design and installation requirements for modern infrastructure, our range of secure options offer unmatched value and surpass customer expectations.

**Terms & Conditions :**

This cancels all our previous pricelists | The prices are inclusive of all government taxes & duties as applicable | To maintain our commitment to excellence in quality and service, we continuously innovate our product designs for improved functionality. Additionally, due to rising raw material costs, pricing may be subject to change without advance notice | All goods shipped by us are at the purchaser's risk. Any claims for loss, damage, or shortages must be addressed directly by the purchaser with the carrier or transporter | Disputes, if any, are subject to Mumbai Jurisdiction only.

Warranty Clause :

Warranty coverage applies exclusively when devices are used with Vinay Electrical Solutions' mounting flush and surface boxes. Otherwise, the warranty period will be reduced by 50% | The warranty is valid only when products are installed according to the company's instructions and remain unaltered | Under this warranty, the company's liability shall never exceed beyond the price paid directly to the company by the customer, regardless of the circumstances.
